

March 16, 2021

Anthony Alvarado

Dear Anthony,

I am pleased to inform you that you have been recommended for admission into Cohort 8 of the Ed.D. Program in Educational Leadership at San José State University. Please accept my personal congratulations on your achievement and on your commitment to pursue doctoral studies. You are now part of a select group of committed educators and education leaders embarking on this path. Congratulations and welcome!

You are joining a very distinguished group of graduate students. Your choice to attend SJSU for your doctoral degree is perhaps the wisest choice of your professional career. You are to be congratulated on the personal and academic achievements that have brought you this far in your career. The education community's response to the doctoral program at San José State has been very positive. More people apply to the program each year than we are able to admit. Your application and interview were rated very favorably by the program faculty resulting in your being recommended for admission into the doctoral program.

Please confirm your formal acceptance of this admissions offer no later than **5:00pm on Tuesday, March 16th, 2021**, by signing and returning a copy of your admissions letter to Aparna Kanungo at [@sjsu.edu](mailto:aparna.kanungo@sjsu.edu). If we do not hear from you (or you decline) by March 16, 2021, your place in the cohort will be offered to the next person on the waiting list.

The 2021 Summer Class Schedule is currently being finalized. There have been some changes, most notably a shift to an online format with the new shelter-in-place restrictions. The final class schedule will be shared with you as soon as it is available.

Also, please hold the date of **Monday, March 29, 2021, 9:00am-1:00pm** to participate in the doctoral student orientation. The Doctoral Student Orientation will be held virtually via Zoom and an agenda will be sent out to your email address prior to the session.

On behalf of the Ed.D. faculty, please accept my congratulations on your acceptance into the 2021 Cohort of the Ed.D. Program at San José State University.

Sincerely,

Bradley Porfilio, Ph.D.
Director, Ed.D. Leadership Program
